

**ELECTRONIC FUND TRANSFERS
YOUR RIGHTS AND RESPONSIBILITIES**

Electronic Fund Transfer Agreement and Disclosure

This Agreement and Disclosure is made in compliance with federal law regulating electronic fund transfer (EFT) services. EFTs are electronically initiated transfers of money involving a deposit account at First Citizens National Bank. This disclosure sets forth your rights and obligations as a user of the electronic fund transfer services offered by the Bank. It is also a statement of the Bank's rights and obligations as a provider of electronic fund transfer services. Please read the following information and keep it for future reference.

CONSUMER'S OBLIGATIONS

Use of the FIRST CONNECTION and DEBIT CARD services requires the use of a Secret Code that enables you to gain access to these services. In addition, these Secret Codes protect you against unauthorized users of these services. Do not write your code on the DEBIT CARD (access card) or keep your code in your billfold or purse where a thief could find them. Remember that knowledge of your Secret Code by an unauthorized party welcomes the unauthorized use of these services. If you tell anyone else your Secret Code and they use these services, the Bank may not be held responsible.

If you believe your access card has been lost or stolen; that someone has gained knowledge of your Secret Code; or that an electronic fund transfer has been made without your permission using information from your check, please notify the Bank immediately. Prompt telephoning is the best way to keep possible losses to a minimum. You could lose all the money in your account plus the maximum of any available overdraft privilege if you fail to exercise your rights within the limits set forth in this disclosure.

If you tell us within two business days of learning of the theft of your access card or that someone has gained knowledge of your Secret Code, you can lose no more than \$50.00 if someone uses these services (zero dollars for MasterCard Point of Sale transactions). However, if you do not notify us within those two (2) business days and the Bank discovers we could have prevented the person from using these services without your permission if you had told us, you could lose as much as \$500.00.

MasterCard Debit Card – Additional Limits on Liability – You will not be liable for any unauthorized transactions using your MasterCard Debit Card if: (i) you can demonstrate that you have exercised reasonable care in safeguarding your card from the risk of loss or theft, and (ii) upon becoming aware of a loss or theft, you promptly report the loss or theft to us. MasterCard is a registered trademark of MasterCard International Incorporated.

Also, please notify the Bank immediately if your monthly statement shows transfers you did not make. If you do not notify us within sixty (60) days after the statement was mailed to you, you may not be able to recover any losses which occurred after this notification period. This would prove true in an instance where the Bank might determine that we could have stopped someone from taking the money had you informed us in time.

If a good reason (such as a long trip or hospital stay) prevents you from notifying us, we will extend the time period accordingly.

TELEPHONE NUMBER AND ADDRESS TO BE NOTIFIED

NOTICE REGARDING ATM FEES CHARGED BY OTHERS

If you use an automated teller machine that is not operated by First Citizens, you may be charged a fee by the operator of the machine and/or by an automated transfer network.

LIMITATIONS ON FREQUENCY AND DOLLAR AMOUNTS OF TRANSFERS

Certain limitations have been placed on electronic fund transfers to protect both you and the Bank. These limits apply unless the balance in your account(s) is less, in which case, your account balance will serve as your daily limit. The daily limits for THE DEBIT CARD are \$800 for point of sale transactions and \$400 for ATM withdrawal transactions. The amount available for transactions will be determined by the balance in your checking account(s) or the combined transaction type limits set by the bank, whichever is less. All limits associated with THE DEBIT CARD apply to the total of transactions conducted in a 24-hour period. There is no limit on the amount you may deposit except that some machines may only allow up to \$9,999.99 to be entered. Only \$200.00 from a day's total ATM deposits will be available for immediate withdrawal. The remainder of the deposit(s) will be available after which time they have been verified and processed and no later than required by Regulation CC. For security reasons, there are other limitations on the number of transactions or the amount of these transactions that may be allowed.

FIRST CONNECTION transfers are limited, for your security, to allow only transfers from your own associated accounts. You may transfer up to \$2,500.00 per transaction using your FIRST CONNECTION transfer service.

There are certain limitations set forth by Regulation D and our financial institution that place certain restrictions on account activity. On Regular Savings and First Time Savings Accounts, you are permitted up to 6 withdrawals and transfers per quarter in any combination. If you exceed the 6 allowed withdrawals or transfers, there will be a \$2.50 service charge for each additional withdrawal or transfer paid. You can have unlimited ATM withdrawals and transfers with THE DEBIT CARD. ATM transactions are excluded from the transaction limitations and are not subject to the service charges for exceeding those limitations. Point of sale transactions are not allowed on these accounts.

With a First Rate Account you are limited to 6 withdrawals (check) or transfers per month in any combination. These can be by check or paper draft, telephone transfers, preauthorized transfers, automatic transfers, Online Banking transfers or FIRST CONNECTION transfers in any combination, as long as you do not exceed 6. If you exceed the 6 allowed withdrawals or transfers, there will be a \$5.00 service charge for each additional withdrawal or transfer paid. You can have unlimited ATM withdrawals and transfers with THE DEBIT CARD. ATM transactions are excluded from the transaction limits mentioned above and are not subject to the service charges for exceeding those limits. Point of sale transactions with THE DEBIT CARD are not permitted.

For Regular Savings Accounts, First Time Savings Accounts and First Rate Accounts, current regulatory rules limit the number of preauthorized transfers and preauthorized transfers to a third party to 6 per month. Exceeding this limitation could result in the reclassification of your account. Examples of a third party transfer would be a preauthorized debit for payment of an insurance premium or a request for a wire transfer of funds. Examples of a preauthorized transfer would be an Online Banking transfer of funds, a FIRST CONNECTION transfer of funds, or an automated transfer of funds to cover an overdraft in a Demand Deposit Account.

REGULATION CC: EXPEDITED FUNDS AVAILABILITY

Funds from deposits made at automated teller machines may not be available for immediate withdrawal. Please refer to our institution's rules governing funds availability for details.

RIGHT TO DOCUMENTATION OF TRANSFERS

Receipts will generally be provided whenever you conduct ATM and point-of-sale (POS) transactions. However, federal law no longer requires receipts to be provided on ATM and POS transactions for less than \$15.00.

If you have made arrangements to have direct deposits made to your account, you may call us at (731) 285-4410 or 1-800-321-3176 during regular banking hours to find out whether or not the deposit has been made.

We will send you a statement on your checking account monthly. You will receive a statement on your savings account for any month in which there is Electronic Fund Transfer activity. Should you not have any Electronic Fund Transfer activity on your savings account, your statement will be rendered on a quarterly basis.

RIGHT TO STOP PAYMENT

If you have instructed the Bank to make regular payments out of your account, you may stop any of these payments. Here's how:

Telephone us at (731) 285-4410 or 1-800-321-3176
or write: First Citizens National Bank
Customer Service Department
P.O. Box 370
Dyersburg, TN 38025-0370

Your letter should reach us within three (3) business days or more before the payment is scheduled to be made. If you call, we will require you to put your request in writing and get it to us within fourteen (14) days after you call. We will send you a form for that purpose. A service charge of \$35.00 per payment will be imposed each time a stop payment order is placed. If you order us to stop one of these payments 3 business days or more before the transfer is scheduled and we do not do so, we will be liable to you for your losses or damages.

PREAUTHORIZED TRANSFERS

If you have made arrangements with us or someone else to automatically charge your account on a regular basis and if the payment may vary in amount, the person you are going to pay is required to notify you in writing at least (10) days in advance of the new payment amount and date of payment. You may choose instead to get this notice only when the payment varies more than a certain amount from the previous payments or falls outside certain limitations that you set. Examples of this type payment are automatic mortgage payments, insurance payments, etc., if the payment is made without the use of a paper draft.

OBLIGATIONS OF FIRST CITIZENS NATIONAL BANK

If we do not complete a transfer to or from your account on time or in the correct amount, according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

1. If through no fault of ours, you do not have enough money in your account to make the transfer;
2. If you are attempting to draw against deposits of checks, drafts, or other non-cash items that have not yet been collected and you have been notified of the delayed availability of these items;
3. If you are attempting to draw against funds deposited in an ATM before the amount of your deposit has been manually verified by us and credited to your account;
4. If the automated teller machine where you are making the transfer does not have enough cash;
5. If the automated teller machine was not working properly and you knew about the breakdown when you started the transfer;
6. If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we may have taken;
7. If the funds in the account have been offset by First Citizens National Bank in payment of a delinquent loan, etc. or if the funds have been attached or otherwise proceeded against as a result of a lawsuit that someone has brought against you or against a joint depositor on your account.

DISCLOSURE OF ACCOUNT INFORMATION TO THIRD PARTIES

We will disclose information to third parties about your account or the transfers you make:

1. Where it is necessary for completing transfers or
2. In order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant or
3. In order to comply with a government agency or court orders or
4. If you give us your written permission.

If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. FUNDS AVAILABILITY POLICY – YOUR ABILITY TO WITHDRAW FUNDS

Our policy is to make funds from your deposits available to you on the first business day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Wire transfers will be available no later than the business day following receipt. Once they are available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written.

Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problem involving your deposit.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays and federal holidays. If you make a deposit before close of business at any of our Branch locations; or 4:00 P.M. CST/5:00 P.M. EST at our Automated Teller Machines; or 5:00 P.M. CST/6:00 P.M. EST for Online Banking transactions; 5:00 P.M. CST/6:00 P.M. EST for Mobile Banking transactions or 5:00 P.M. CST/6:00 P.M. EST for First Connection transactions and 6:00 P.M. CST/7:00 P.M. EST for Commercial Capture Xpress (Merchant Remote Deposit Capture) transactions on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit or perform a transaction after these designated times or on a day we are not open, we will consider that the deposit or transaction was made on the next business day we are open.

Federal Regulations require that we disclose to our customers the maximum time funds can be delayed and the reason for the delay. However, every effort will be made by First Citizens to make your funds available to you on the first business day after the day we receive your deposit. Funds will only be delayed under certain conditions.

LONGER DELAYS MAY APPLY

Any international ACH transaction item (IAT) electronically presented for payment on your account is subject to compliance verification with the Office of Foreign Asset Control (OFAC) Regulations. Until verification is completed, it may be necessary to temporarily suspend processing the transaction.

Depending on the circumstances, funds may not be available until the second business day after the day of your deposit. However, in most cases, the first \$200.00 of your deposit will be available on the first business day. If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time of deposit when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail the notice to you by the next business day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under certain conditions, such as:

- We believe a check you deposit will not be paid
- You deposit checks totaling more than \$5,000.00 on any one day
- You redeposit a check that has been returned unpaid
- You have overdrawn your account repeatedly in the last six months
- There is an emergency, such as failure of communications or computer equipment

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

SPECIAL RULES FOR NEW ACCOUNTS

Every effort will be made to give new customers next day availability of their funds. However, Federal Regulations allow us to apply the following rules during the first 30 days your account is open if we deem necessary:

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000.00 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. The excess over \$5,000.00 will be available on the seventh business day after the day of your deposit. If your deposit of these checks (other than an U. S. Treasury check) is not made in person to one of our employees, the first \$5,000.00 will not be available until the second business day after the day of your deposit. Funds from all other check deposits will be available within seven business days after the day of your deposit.
