

First Citizens National Bank
“Truth in Savings” Deposit Account Disclosure

“For regulatory reporting purposes First Citizens has adopted an internal restructuring of certain deposits which will result in a reclassification of a portion of the balance. This reclassification will not affect the availability of funds, the interest rate, or the fee structure of your account. This disclosure is being made to satisfy regulatory requirements.”

DOGWOOD CHECKING

MINIMUM OPENING

BALANCES TERM	AMOUNT
7 days to less than 3 months	\$10,000.00
3 months to less than 1 year	\$ 2,500.00
6 Month Nest Egg	\$ 500.00
1 year or more	\$ 500.00

- Interest is calculated on the daily balance. This method applies a daily periodic rate to the principal in the account each day. Interest begins to accrue no later than the business day you deposit non-cash items (for example, checks.)
- Frequency of compounding is determined by the investment amount. Certificates with maturities longer than one year must have interest compounded or paid at least annually. Other interest payment options are available.

- After the account is opened, additional deposits may be made to our "NEST EGG" certificate with a minimum deposit amount of \$25.00. Additional deposits may not be made to any other type certificate.

- After the account is opened, you may not make withdrawals from any type certificate until the maturity date unless otherwise stated in your account agreement. The annual percentage yield assumes interest remains on deposit until maturity. A withdrawal will reduce earnings.

- If any of the deposit is withdrawn before the maturity date, a penalty in the amount equal to the following will be imposed:

TERM	EARLY WITHDRAWAL PENALTY
7-31 days	All accrued interest earned since the original issue date or any renewal date
32 days to 1 year	90 days interest on amount withdrawn
More than 1 year	180 days interest on amount withdrawn

- This account will automatically renew at maturity. You can withdraw your funds without being charged a penalty during the three (3) day grace period after the original or any renewal maturity date for investments of 7 to 31 days, or the ten (10) day grace period after the original or any renewal maturity date for investments of 32 days or more.
